

# Alfred Street Junior School - Y4 Curriculum Overview - Autumn Term 2016

## English

In Year 4 we will be covering the following topics: Stories with familiar settings, Stories from other cultures, Information texts, Fairy stories and play scripts, and a variety of poetry.

## Maths

In maths, the children will be learning about place value, the four operations and fractions. The children will also be learning how to tell the time and drawing graphs / interpreting data. The children will continue to learn strategies for problem solving.

## Computing

The children will be learning how to use the internet safely and evaluating content of different websites. They will also be learning how to arrange text and images in Word.

## History

This term we shall be learning about Anglo-Saxon Britain.

## Science

In science we shall be learning about Living Things and also Teeth and Digestion.

## RE

Children will be learning about Christianity in Action.

## P.E

PE days are Wednesday and Thursday. The children will take part in swimming lessons on Tuesday mornings.

The children will learn how to play invasion games with a focus on football.

## PSHE

The children will be learning how to develop confidence and responsibility along with how to be a good citizen.

## French

The children will continue to learn a variety of spoken phrases through song, story and drama activities.

## Art

In art, the children will be learning about the work of Bridget Riley and Sonia Delaunay.

## DT

Our focus this term will be on preparing and cooking a savoury dish.

## Music

In Music the children are learning to use voice and instruments with increasing accuracy, control and expression.
