SEN Support Guidance for Parents

What should I do if I am concerned about my child's progress or development?

Step 1 – Initial Contact

Contact your child's class teacher in the first instance, either at the end of the day face to face or phone Reception on 01933 353762 to arrange a meeting.

Step 2 – Information Gathering

What to expect...a confidential chat to share concerns. The class teacher and parents and possibly the SENCO (Mrs Love) will agree on outcomes we are hoping to achieve.

Agree targets and set a date for review.

Step 3 – Review & Feedback

What has been successful? The class teacher and/or Mrs Love will share strengths and difficulties observed, and review whether the targets have been met. We can then discuss further options available and next steps to take if required.
