

## **Sports Grant Statement 2015/16**

For the academic year 2015-16, Alfred Street Junior School received a grant of £8,985.

This grant will be used to improve the quality of the PE provision within our school, to engage pupils in a range of sporting activities, to take part in a range of competitive sports and to encourage pupils to lead healthier lives.

Our main aims for this year are:

- To improve the quality of teaching in swimming for all teachers and increase water confidence and achievement in the pool.
- To increase the fitness of all pupils
- To enable pupils to take part in a range of sporting activities
- To increase participation in competitive sport and healthier activities.

We intend to use the funds in the following way:

Action	Cost	Impact
To give children training in preparation for festivals through 'Premier Sports'.	£3,250	Increased participation in sport during the school day. Increased confidence of pupils when taking part in sports not taught in school.
To provide access for our pupils to quality extra-curricular activities. from 'Premier Sports'.  To engage all pupils in taking greater responsibility for doing regular physical activity. To train pupils to become young leaders in the delivery of 'The Golden Mile' initiative.	£4,000	Improvement in the quality and diversity of extra-curricular activities eg handball, archery, gymnastics, fencing, football, multi-skills. Targeted children attending, who would not normally access this.  Golden mile initiative being run by young leaders and all pupils within the school participating at some level.
To employ an extra swimming instructor throughout the year to support staff in the delivery of swimming and to decrease the number of children unable to swim at least 10m.	£1,000	Staff expertise in the teaching of swimming increased and expertise used to reduce the number of children unable to swim at least 10m – target 100% by the end of the key stage.
To join with schools in the cluster to pay for the work of Martin Smith, who is responsible for organising cluster festivals and competition and for the hiring of venues.	£350	Participation in a range of competitive sporting activities.

To provide resources for a range of sporting/health activities, including transportation costs to attend festivals.	£385	Children will have regular opportunities to participate in physical exercise and enjoy physical activities.
