## Alfred Street Junior School – Privacy notice for Parents/Carers

Under Data Protection Law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing privacy notices to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **parents/carers**. We, Alfred Street Junior School, Rushden, NN10 9YA, are the 'data controller' for the purposes of Data Protection Law.

Our data protection officer is Paul Stratford (see 'Contact us' below).

### The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about parents/carers includes, but is not restricted to:

- Name, address and date of birth
- Contact details, contact preferences, identification documents
- Characteristics such as ethnic background, first language
- Employment details such as place of work, occupation, job title, NI number
- Whether there is a court order in place restricting the parent's access to their child

We may also hold data about parents/carers that we have received from other organisations, including other schools, local authorities and the Department for Education.

### Why we use this data

We use this data to:

- Provide appropriate pastoral care
- Protect student/pupil welfare
- Administer admissions waiting lists
- Comply with the law regarding data sharing

### Our legal basis for using this data

We only collect and use parent/carers' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process parent/carers' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use parent/carers' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using parent/carers' personal data overlap, and there may be several grounds which justify our use of this data.

## Collecting this information

While the majority of information we collect about parent/carers is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

## How we store this data

We keep personal information about pupils and their parents/carers while they are attending our school. We may also keep it beyond their attendance at our school, if this is necessary, in order to comply with our legal obligations. We store this data in both digital and paper-based formats. We keep personal data according to the Retention Schedule set out in the [Information and Records Management Society's toolkit for schools](#). This can be found [here](#).

## Data sharing

We do not share information about parents/carers with any third party without consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with Data Protection Law), we may share personal information about pupils with:

- *Our Local Authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns and exclusions*
- *The Department for Education – to meet our legal obligations to share certain information with it*
- *Suppliers and service providers – to enable them to provide the service we have contracted them for*
- *Survey and research organisations – to help us fulfil our public task*
