

'Step up September' – ASJS Recovery Plan

Alfred Street Junior School is going to commit time during September to ensuring that routines, expectations, standards, relationships and values are quickly re-established. At the heart of these plans, getting children 'back-on-track' in both an academic and emotional sense is the absolute priority.

Step-Up September is split in to three strands:

Levels of support for each strand will be implemented in a tiered approach:

'Step up September' – ASJS Recovery Plan

The following information outlines the actions that will be taken by Alfred Street staff at various levels. Actions will be organised by strand and then by level of support so that there is a clear priority, purpose and direction of support.
