

ASJS On-line Lessons for Year 3, 4 and 5 Commencing 15.6.2020

Below are 5 lessons which last for approximately 25-30 minutes each. Resources required are minimal, though if there are any that you need please contact school and we will try to provide these.

Each activity is guided by a qualified teacher, complete with an informative, interactive video which will enable your child with all the information they need to access the task independently.

Parents, please note that while these videos may say a particular year group, it is because schools can choose which year group topics are taught in and the Oak Academy ones are in a different order to the Alfred Street Curriculum but they will still be suitable for all ages.

Lesson	Subject	Overview	Web Link	Resources
Lesson 1	Music	Sing a Major Scale. Learn to sing an ascending musical scale using actions.	https://classroom.thenational.academy/lessons/sing-a-major-scale	n/a
Lesson 2	Art	Drawing skills: How can we use texture to make our drawings more interesting? Learn how to use our pencil to create interesting textures before creating a drawing of a view from a window.	https://classroom.thenational.academy/lessons/drawing-skills-how-can-we-use-texture-to-make-our-drawings-more-interest	A4 paper (plain or lined – whatever you have!) Pencil Eraser (optional)
Lesson 3	Geography	Volcanoes and Earthquakes. Learn about volcanoes and earthquakes, then test your knowledge and understanding by completing a short quiz for each topic.	Volcanoes: https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zd9cxyc (Scroll down for further information on volcanoes. There is a short quiz at the bottom of the page to test your knowledge and understanding of this topic). Earthquakes: https://www.bbc.co.uk/bitesize/topic	Paper / Notebook Pen / Pencil

			s/z849q6f/articles/zj89t39 Scroll down for further information on earthquakes. There is a short quiz at the bottom of the page to test your knowledge and understanding of this topic.	
Lesson 4	Science	How is igneous rock formed? Learn about the structure of the Earth, how to recognise igneous rock and some of its uses, how igneous rock is made using ice and chocolate as a model!	https://classroom.thenational.academy/lessons/how-is-igneous-rock-formed	Paper/notebook Pencil
Lesson 5	Science	How is sedimentary rock formed? Learn about sedimentary rock, looking at steps needed to make this rock and how fossils are formed in this rock. Learn what a palaeontologist is and identify some different fossils.	https://classroom.thenational.academy/lessons/how-is-sedimentary-rock-formed	Paper/notebook Pencil Coloured pencil – to correct work
