

ASJS On-line Lessons for Year 3, 4 and 5 Commencing 13.07.2020

Below are 5 lessons which last for approximately 25-30 minutes each. Resources required are minimal, though if there are any that you need please contact school and we will try to provide these.

Each activity is guided by a qualified teacher, complete with an informative, interactive video which will enable your child with all the information they need to access the task independently.

Parents, please note that while these videos may say a particular year group, it is because schools can choose which year group topics are taught in and the Oak Academy ones are in a different order to the Alfred Street Curriculum but they will still be suitable for all ages.
